

Dear Colleagues,

We would like to announce that EJPCE will be published twice a year and so this is the First Issue of Volume 7. We thank for contributions of 10 authors from Thailand, Turkey, and United States of America in this issue.

As you know, EJPCE is open to all studies in any fields of physics and chemistry education. It gives us a great pleasure that many science educators have been following our published papers. At that point, I would like to thank all reviewers for their kind help and interest in selecting well-qualified papers for this issue. I hope the EJPCE will shed light on field education and the scientific world.

Hope to stay in touch and meet in our next Issue, due to be out on 1<sup>st</sup> of October 2015.

Orhan Karamustafaoğlu, PhD.  
*EJPCE Editor-in-Chief*
